Mr. F. W. Crawford,
The Associated Press,
Kansas City, Mo.

Dear Mr. Crawford:

I had a mass of stuff on my desk, and regret that we did not get this out so that it could be mailed to you sooner. I expect you have already written your story, but I am sending this along in case you need it. I am sorry it has been delayed.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
