

He has enjoyed them so much,  
and wants to stay on your  
mailing list. Should you be  
kind enough to send them to -

Wayne Glover, Jr. (St. J. G.)

until he is reassigned and  
can give you another address?

I have enjoyed the "Rebound"  
as much as Hayne has. Before  
he started receiving them from  
you, I used to mail him copies  
sent to me by my uncle, Claude  
Chaferk. - I always read them  
avidly first.

I'm terribly excited about  
Waynes' coming home. He hasn't  
seen our little girl for over 2  
years, and she is 4 now. They  
will have a lot of catching up  
to do - and according to her  
there will be numerous trips  
to the zoo! -
