Dr. H. C. Carlson,
University of Pittsburgh,
Pittsburgh, Pennsylvania.

Dear Dr. Carlson:

Glad to have your announcement on "Basketball Research in Fatigue". This certainly will be very interesting and I will be glad to see the book when it comes off the press early in March.

Believe me, I know that you did slave on the book. I have done some of that myself, and it is a real job.

I met one of your good Rotarian friends who thinks that H. C. and the family are great guys. It is J. A. Black from Wilmerding, Pa. We had a great time talking about the entire Carlson family. I served as president of Rotary here last year, and they are running me for governor of this district this year. Running may be the only thing I will do!

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
