

March 1, 1945.

Dr. R. I. Canuteson,
Watkins Memorial Hospital.

Dear Dr. Canuteson:

Thank you very much for your very generous gift to the Red Cross. Certainly you and I agree that no money that we give goes to the heart of our boys in the service when they are in real need more than this worth while donation.

When you get a letter from me to the members of the faculty please disregard it.

Sincerely yours,

FCA:AH

Chairman, K.U. Red Cross Drive.
