Director of Physical Education  
University of Kansas  
Lawrence, Kansas

Dear Doctor Allen,

This time I will endeavor to avoid sending you the wrong letter. Perhaps I should be a Professor - you know absent minded.

Say the football team must be on the upgrade. Was happy to hear that we finally pinned Nebraska's ears back.

Here is Jack Sands address -

Lt. J. H. Sands  
M. O. Q. D., N.A.S.  
Daytona, Florida

I know that he'll be happy to get the Rebounds.

In closing I wish you a successful year with your team.

Sincerely yours,

*Tony Coffin*
