Kansas City 1, Mo.

Dear Mrs. Coleman:

I am very happy to tell you that in 1942 Kansas was ever-victorious in the Big Six Conference. I would be afraid to say that we were national champions many times because every section always has a national championship team. Nine of our thirteen boys were inducted into the service on March 6th before the national championship was played. There were many Kansas friends who felt that Kansas could have gone through that year.

Kansas has had three ever-victorious seasons -- 1923, 1936 and 1942. Ralph Miller played in 1940, and along that time, and the teams were good.

But this United States is a big place, and I would be happy if someone would say we were the best in our section.

I write a letter to the boys in the service, called the Jayhawk Rebounds, - some fifteen or sixteen pages, and if Billy would like to be put on the mailing list I would be glad for you to give me his address. I will be happy to send them to him.

With every good wish, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
