

December 20, 1944.

Mr. Jack Carberry,
Sports Editor,
The Denver Post,
Denver, Colorado.

Dear Jack:

After reading your box, "Major Griffith Scored Allen",
by Hugh Fullerton, Jr., dated December 9, I wrote Mr. Fullerton
a short epistle.

You will notice that I have said that I wanted no
quoting from the letter. I prefer that you not use any of my
letter as quoted, but you can use the general information, if
you wish. I do not want to be credited with it because I would
not want to embarrass Mr. Quigley, our Athletic Director, who
should be spokesman for Kansas athletics.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
