

CARL'S
GOOD CLOTHES

LAWRENCE, KANSAS

"Paw" - We all have finished the last copy
of "Rebounds" and what a service
you are rendering the Boys here and
there, and how they much enjoy same,
It is just "Chuck's" full of good newsy
stuff.

With all your outside activities, civic and
social, besides your own work, how you
find time to edit the "Rebounds" is a
mystery. not going to say; to keep it up, for we
know you will. It will pay you big dividends
not only today but in the future.

Sincerely,
Owen
