Dear Tony:

I am returning the letter to you which you inadvertently addressed to me.

I was sorry indeed that I did not get to see you when you were here in June. I understand, Tony, how it is when a fellow has so many calls to make and such little time to do it.

Congratulations on your fine record!

Won't you ask Jack Sands' father-in-law for Jack's address, and I will send him a Jayhawk Rebounds. He is not on our mailing list. We are glad to change your address to the one indicated in your letter.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
