Dear Dr. Allen

I am planning to enter K. U. July 1 and since I am interested in Athletics I would like to some day be a Coach or an Athletic Director. So I would like to enroll in the Physical Education Department.

Would you please advise me as to what courses are offered during the Summer Semester so I can organize my plans.

I realize the War will enter into my plans and am willing to do my share there, also. I will be 18 on October 31 and would like to enlist in the Naval Air Corps if I can qualify.

I am wondering if it would be best to try to enlist now or wait till after I am in school a month or so, and may I use your name for reference?

Thank you very much for any information or advise that you may send me. I'll appreciate it very much.

Very truly yours,

Dale Clayton Corder
