

December 6, 1943.

Mr. Ross Clover, Chief Specialist,
Athletic Instructor, Bldg. 2511,
U. S. Naval Training Station,
Great Lakes, Illinois.

Dear Sir:

We do not have a manual which we use in our track coaching course. We use Bresnahan and Tuttle's book on "Track and Field Athletics" as a text and follow it rather closely.

Sincerely yours,

Henry Shenk,
Asst. Professor of Physical Education.
