Dear Dr. Allen,

Have enjoyed the newsletters. It is grand to hear again of the many boys that have left K.U. to do their job overseas - and do it blanded well. I appreciate having the military addresses of many friends at hand. Should like to be remembered to - Knute Kresie, Bob Johnson, T. P. Hunter, Fern Durand, Howard Engelman, Bob Allen, Chain Healy, Don Pollow - as well as - Jack Floyd, Larry Hensley, Jack Sands, Bruce Reid, Max Reptogle, David Shirk, Richard Amerine, Ed Hall, and all of the splendid young men that are so deserving of praise and respect. Wish I had the addresses of some of the fellows in the latter group mentioned.

Am in term V A.S.T. Mechanical Engineering here at L.S.U. This is my third such term. Mrs. Cameron is with me and we have a baby daughter, Joan Dwayne, four-and-a-half
