

February 3, 1941

Mr. Robert Bush
Atlas Athletic Equipment Co.
St. Louis, Missouri

Dear Mr. Bush:

We have your letter of recent date saying you have not received official order to proceed with the work of reconditioning our gymnasium mats.

There seems to be some delay in getting this order through, but we are making every attempt to speed up the matter and I am sure you will receive word within a few days.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
