

The war situation has raised the question of the availability of hotel accommodations. Through the Convention Bureau of the Chamber of Commerce anyone attending the Convention is assured of hotel reservation, providing the reservation is made well in advance of the Convention dates, April 2 and 3.

Of interest to all will be the informal dinner and Missouri "hoedown" entertainment followed by square and social dancing the evening of April 2. Reservations for the dinner may be made by calling the Health and Physical Education office, VAlentine 7881.
