

September 1, 1943.

To Whom It May Concern:

I am very happy to testify as to the capability, fitness, character and personality of Charles Ray Chapman of McLouth, Kansas. Charles graduated from McLouth High School in the spring of 1943.

I have known this young man for three years and find him an industrious, clean-minded and forceful person. He is purposeful, and I am sure that he will make good in any line of endeavor that he sets his mind and will to.

He is a gifted musician, but this is no deterrent to his motor activity. Last spring he worked at the Sunflower Ordnance plant and made a fine record.

I am happy to recommend him to you without reservation.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
