Dear Phog,

I am now driving a tractor in harvest but my mind today is wandering down toward the old hill at S.U. From what I can gather, things are a lot different down there just now and are still changing fast. I write a form letter to all of the Phis from last year and they were rather disappointed to hear about our house being taken.

What I want to say now is that I'll be glad to help in the Towel room this fall if you need me. Henry Shenk said that you had some trouble with help this summer; so I thought I might try it again. Besides picking up a little extra cash, I rather enjoy the work. I'll see you in about 5 or 6 weeks.

Yours truly,
