Mr. Glenn E. Charlton,
Lawrence Memorial Hospital,
Lawrence, Kansas.

Dear Glenn:

I called Miss Robinson today because I had a greeting from Jimmie Ingham, one of your old side-kicks years ago at Wichita, Kansas, when you were on the road. He had been to Rotary International at St. Louis.

As we rode back I not only got acquainted with a fine fellow, but he reminisced quite a bit on his association with you at Wichita, Kansas. When he asked about you I told him that you were slightly indisposed and suggested that he write you a note. I am enclosing the same herewith, with his best wishes, and I might emphasize, of course, with mine also.

I am hoping that your indisposition doesn't tie you down long, Glenn. You doubtless got my card written from St. Louis wherein I mentioned that we were hoping to renew the golf games when and if you set the date.

With all good wishes, I am

Rotarily yours,

Director of Physical Education,
Varsity Basketball Coach.
