

After months of indecision, I have decided definitely not to go into flight training as a student officer. The fact that things are going so well here is one of the main reasons. My promotion to 1st Lt came through in January and I have a feeling that I'll get along almost as fast in my present work as I could as a flying officer.

Dorothy and Betty are enjoying their vacation out in Arizona. The change probably will do Dorothy good. She is already anxious to get back. Naturally I'm just as anxious to have them back.

Before I quit, may I congratulate you on your past basketball season. Many fans down here in Arkansas speak highly of the Kansas University basketball team. Also I want to say that I enjoyed very much seeing the University and meeting so many friends again - Here's hoping that I'll see you much sooner the next time.

Very sincerely yours,
John Cress
