Dear Dr. Allen:

We are enclosing a Professional Identification Card for your use during the year 1942.

This card will be honored in any Crown Drug Store, and entitles you to professional discounts in all departments except Candy, Cigar, and Soda Fountain.

We sincerely hope you will use this card many times during 1942. We try to carry in all of our stores a very complete line of all pharmaceuticals manufactured by the larger pharmaceutical companies. We want you to know that we appreciate your patronage and want you to feel perfectly free to call on us at any time that we can be of assistance to you in any way. This is our method of showing in a small way our appreciation of the patronage given us in the past by your profession.

Very truly yours,

CROWN DRUG COMPANY

Vice-President
