

April 8, 1942.

Mr. Delmar Curry,
Kansas High School Athletic Association,
National Reserve Building,
Topeka, Kansas.

Dear Delmar:

I had the extreme pleasure of visiting with Mr. and Mrs. Bob Stone at the celebration of the twenty-fifth anniversary of Rotary last Monday evening at the Eldridge Hotel, at which time the Honorable Stone re-delivered the charter that he delivered to the Lawrence club twenty-five years ago. It was a thoroughly enjoyable evening, and I learned that Delmar Curry had married the granddaughter of these fine people.

Congratulations, my boy! It is always interesting to find the connections and relationships when we commingle with our friends. We greatly enjoyed their presence with us and the Honorable Stone did an excellent job as he always does when he gets on his feet before the public.

I am wondering if you would do me a favor. Each year we have a little session on the morning of the Kansas Relays. I have been making it a point to invite the senior high school boys of outstanding merit to the University to work out with our varsity men. There is no organized practice - we just invite these boys to shoot some goals, take a shower bath, and attend the Kansas Relays. We do not "high pressure" them, nor do we invite them to attend the University the following year. We tell them that this is just for a good time and a pleasant visitation, and we tell them to pick their own college where they desire to go to school.

I am wondering if you would be kind enough to send me a list of any boys in the different tournaments which Tommy picked in the different regions and sections as the outstanding performers. If you can give me the seniors I would appreciate it very much.

With all good wishes for your continued success, I am

Sincerely yours,

FCA:AH

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.

April 14, 1942.

Mr. Bruce Cameron, Chairman,
Selective Service Board for Douglas County,
Lawrence, Kansas.

Dear Mr. Cameron:

I shall be very happy to have lunch with you and the other guests on Monday, April 20, at 11:20 in honor of the men who are to be inducted into the armed forces on that day.

Very sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

SELECTIVE SERVICE SYSTEM

Local Board No. 1 73
Douglas County 045

APR 11 1942 001

Lawrence, Kansas
(STAMP OF LOCAL BOARD)

Dr. F. C. Allen
Kansas University
Lawrence, Kansas

Dear Dr. Allen:

For April 20 we have made the following plan concerning the induction of some men into the armed forces of the United States:

The men will meet here promptly at 11 a.m., receive their instructions, and at 11:20 we will go to the basement for lunch. After lunch the men will come up stairs and listen to the Junior High School Band which will be assembled immediately in front of the Armory. Then the men will be taken to the bus station in private cars. We will not have a parade.

We would be very much pleased indeed to have you come and have lunch with us. We believe these selectees are worthy of this honor, and we will ask that you advise us if you will be present.

We will be able to provide the food for the selectees, but unfortunately we cannot pay for the lunch for our guests. It will be 50¢.

Yours very truly,

Bruce Cameron

Mr. Parke Carroll,
Kansas City Journal,
Kansas City, Mo.

Dear Parke:

I just discovered that I did not acknowledge your good wishes concerning the finish of our basketball season, and I wish to thank you for your thoughtfulness.

I also want to thank you for sending the marmalade from Florida. It was greatly appreciated, and Mrs. Allen and I thank you so much.

In the same breath I wish to extend my commiserations in the passing of the Kansas City Journal. I haven't heard what you are to do, but I am sure with your versatility and your ability that you have already swung on to some good paying position ere now.

Sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

Dear Friend

This past basketball season I had quite a few games to officiate and of course, made many contacts.

Today a school board member called on me and asked me to help them locate a coach. The requirements being that he be able to teach commerce, have a good reputation in regard to paying indebtedness and be morally fit for the job. Salary approximately \$30. per mo.

It would give me a great satisfaction to help some senior or graduate obtain a job.

If you have any one in mind will you please send a report of their qualifications.

As Ever

Dear Dr. Allen:

I can't tell you how much I appreciated receiving your expression of sympathy on the death of my mother. It was very thoughtful of you to do this and I hope that sometime in the future we will have an opportunity of settling down and having a good visit. There are a lot of things that have come up and I know that there has been no need for; and some day I would appreciate a visit with you.

Thanks again.

Sincerely yours,
Frosty..

August 5, 1942.

Mr. Bob Corder,
Welda, Kansas.

Dear Bob:

Very happy to have your good letter of the 3rd instant, and I am glad to know that you are having a good time working hard so that you can return to K.U. this fall. We will be happy to have you on our squad and I am hoping that you will have splendid success.

I soon will be writing a letter to our entire basketball squad and a schedule will be enclosed therewith. Each summer I write a squad letter and tell something about every one of the boys.

Regarding your freshman numeral sweater, I just talked to Mr. Earl Falkenstein and he states that the priorities have not enabled them to get the sweaters as yet, but he is hoping to have them in time for your return to school. Of course, I realize that you would much rather have it now, but Uncle Sam has some knitting to do for his boys who are getting ready to throw a little more hate at the slit-eyes, the squareheads, and the spaghetti-benders.

Give my kindest regards to your good family.

Sincerely yours,

FCA:AH

Dear Mr. Allen:

I hope you have been having a pleasant summer and that all has been well with you. I'm having a nice time but am working hard so that I can return to K.U. this fall. and so I will be in good condition for basketball.

I'm wondering if the schedule will be so I can participate in Basketball and also the men's Glee Club?

How about the numerals for Freshman Basketball? I was recommended for one, but as yet haven't received mine.

Am anxious for school to begin.

Very sincerely

Bob Corder.

August 18, 1942.

Mr. Forrest C. Allen, Basketball Coach,
University of Kansas,
Lawrence, Kansas.

Dear Mr. Allen:

We would like to thank you for having served in the past as one of the experts on our All-America Basketball Board which elected the two groups of College All-Stars who defeated the world's basketball champions in 1940 and repeated in the 1941 Classic in Chicago. We shall feel honored if you will again accept a place on this Board and aid in the selection of the group who will oppose the world's champions in the third annual classic to be held at the Chicago Stadium on November 27th.

All you have to do is to kindly send us your nominations from players you have either seen or with whose exploits you are familiar so that they are eligible for the poll in the selection of the All-Stars. Only graduated seniors from last year's varsity are eligible, and we would appreciate your giving us any information you can about the players you nominate.

We will all be doing a good service this year particularly on this All-Star game, because through the cooperation of the Army and Navy Departments, it is being staged as an Army-Navy Relief affair, and we expect to turn over a record amount for an indoor sports event to this fund.

The reason we are contacting you so early is because we know that some of your nominees will have undoubtedly been in the Service since graduation; and it will enable us to contact them and arrange for furloughs, as we expect the War Department and the Navy Department to cooperate whenever possible.

Upon publishing the release showing the complete list of members of the All-America Board, we will send you a tear-sheet - for your information.

Sincerely trusting we may hear from you as soon as possible, and again thanking you for your kind cooperation, I am

Cordially,

Jimmy Corcoran

WRW:LS

August 27, 1942.

Mr. W. F. Coen,
1420 Insurance Exchange Bldg.,
Kansas City, Mo.

Dear Mr. Coen:

I acknowledge receipt of your favor of the 26th instant regarding your sprained wrist. There is one thing additional that I would recommend, and that is that I would have you immerse it half way up the arm in a warm solution of Epsom salts. I would do this morning and night and I would make the water just as hot as you can bear it.

If the skin is tender from the hot water, an application of olive oil to the immersed part will soften and restore the tissues. However, I would not use the olive oil until after you have given the wrist the warm bath.

Doubtless you strained a ligament or tendon and this inflammation is sufficient to keep the wrist irritated. Epsom salts do wonders for some articulations and for some people, while in others it is not so remedial. About two tablespoonsful of Epsom salts to the quart of water is pretty strong - that would be about eight per gallon. You can buy the Epsom salts from the cutrate stores in cloth bags for a very small price.

Personally, I have never been enthusiastic about a leather support. I would much rather use adhesive tape as it gives a much better bandage. Of course, the old standby of all physicians is to tell you to rest the part. But with athletic people we have always worked on the theory that when a fellow wanted to play he would not rest the part, so we have used the adhesive tape with splendid results.

I would be very happy to look at the injured member for you. If you should want to come down, if you will give me a ring here at the University, I will be glad to offer any advice that I am able to give. I do like the infra-red ray lamp, but the immersion in hot water with Epsom salts is much more efficacious. Both are helpful, but I believe the adhesive bandage combined with the remedial agencies should do the job.

I would like to be remembered to Junior and Mrs. Coen and their fine family. With all good wishes, I am

Very cordially yours,

Director of Physical Education,
University Basketball Coach

Aug 26, 1942

Mr. Forrest C. Allen
Athletic Dept.,
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

About five weeks ago while playing tennis all of a sudden my wrist went bad for no known reason as the only thing I did was to hit the ball. The doctor said I probably tore a ligament and recommended that I have a leather support made and also use a heat lamp. This I have done but so far as I can see it is just as tender as ever. It does not hurt except when I turn my hand or when I use the wrist which I have tried to avoid doing.

From what Junior has told me about your wide experience with such ailments I thought possibly you might make a suggestion. I have talked to two or three of my doctor friends but do not get very much satisfaction. Would like very much to hear from you and hope you can recommend some treatment. With kindest regards, I am
