Mr. Ike Craig,
4824 No. Hermitage Ave.,
Chicago, Illinois.

Dear Ike:

Thank you very much for your kind letter of the 21st. We, of course, have our own interpretations, but I do appreciate very much your sending yours to me. I am always happy to get any interpretations because while we may not follow them, they give us ideas in following argumentative points of view.

I am sorry that you weren't able to work our game in Chicago this year. We did enjoy your work in our game there last year, and hoped we could have you again.

With best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
