

October 9, 1940

Mr. E. M. Chestnut, Principal
Beloit High School
Beloit, Kansas

Dear Early:

I have your postcard dated October 5. I was trying to get your watch crystal replaced and have it sent back to you before you asked me about it.

Here is what happened. When I took my trousers out of the back end of the Buick, the watch slipped out and the crystal broke. I took it immediately to Sol Marks and Son here in Lawrence. Marks did not have a crystal large enough to fit the watch so they sent off for one and thought a crystal could be found in a very short time. However, Marks informed me yesterday that the crystal has not come in yet.

Mr. Marks will call me as soon as the crystal arrives and I will mail the watch to you at once. I am sorry the accident happened, but it is just one of those things. I regret that I did not think to turn it in to you that night, but in the rush of things I forgot about it.

Congratulations to you and the boys on your two wins over Minneapolis and Belleville.

My kindest regards to my good friends and to yourself,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach

THIS SIDE OF CARD IS FOR ADDRESS

Dr. F. C. Allen,
Dept. of Physical Education,
University of Kansas.
Lawrence, Kansas.

Beloit, Kansas.

October 5, 1940

Dear friend "Phog",

I'm wondering if you found an extra "track" stop watch in your clothes or bag after you reached home from your Beloit trip.

I thought I handed it to you to use during the game, but I may be mistaken.

If you find it I know you'll send it to me.

We've won two games since you saw the boys play-- over Minneapolis 19-0 and over Belleville 20-7.

Sincerely yours,

E. M. Chestnut

Mr. E. M. Chestnut, Principal
Beloit High School
Beloit, Kansas

Dear Early:

The crystal has arrived and the watch
has been mailed to you.

I trust the watch will reach you in
good condition, and I hope the delay has not caused
you any great inconvenience.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach

October 3, 1940

Mr. Owen Carl
c/o Carl's Clothing Co.
Lawrence, Kansas

Dear Owen:

I am sending you a list of eighteen varsity basketball players, giving their weight, height and chest measurement.

The fellow that took the chest measurement evidently did not know that chest measurements come in even sizes, but I am sending them as he took them and you can use your judgment.

These eighteen may not be the exact eighteen fellows that we will use, but they are good enough to send to you so that you can order from this list and do a fairly good job.

Very cordially yours,

Director of Physical Education and Recreation
Varsity Basketball Coach

September 7, 1940

Mr. Walter Coulter
Physical Education Director
Wallace High School
Wallace, Kansas

Dear Mr. Coulter:

Dr. Allen is out of town at the present time, but your letter of September 5 will be brought to his attention when he returns.

I might state that we do not sell rule books for basketball, softball and volleyball. Books of this sort may be purchased from Lowe and Campbell Athletic Goods Company, 1509-11-13 Baltimore Avenue, Kansas City, Missouri; or the Spalding's Official Rules Guides for these three sports may be purchased from any sporting goods company.

Sincerely yours,

Secretary to Dr. F. C. Allen

Wallace Kansas
Sept. 5, 1940.

Athletic Department
Kansas University

I am Physical Education Director here at the Wallace High School. Would your department have any suggestions that I might use in the way of "setting up exercises" or games?

Would you please send me a rule ^{book} for basket ball, soft ball and volley ball. I do not know the cost of these books so please send them C. O. D. Even if the books for this term are not available you could send copies of last year's books. I am seeking these books as soon as possible.

Sincerely yours

Walter Conter
Wallace, Kansas

ans.

I

Canton, Ill.

Jan. 1, 1941

"Phog" Allen;

We boys at Canton think that basketball is not too fast for grade or high school players. Because there are four time outs in a game for each team as you know. (I hope) For the boys who are not as strong as we are should not play or tell the coach that they are not in the right physical condition. ~~our~~ Sports Editor said that you were planning to go back to the old rule of jumping at the center after each field goal. That may be alright, but, it has its disadvantages. Which are? which will

cut out the fast break. I hope we boys have told
you how we feel of changing these rules of 1940-41

Sincerely yours,
Some boys of Canton
