

Beloit, Kansas.

Dear friend "Phog",

I'm wondering if you found an extra "track" stop watch in your clothes or bag after you reached home from your Beloit trip.

I thought I handed it to you to use during the game, but I may be mistaken.

If you find it I know you'll send it to me.

We've won two games since you saw the boys play-- over Minneapolis 19-0 and over Belleville 20-7.

Sincerely yours,
