Mr. Frank E. Chase
401 Patterson
Glendale, California

Dear Frank:

I have received your good letter of the 9th instant and am hastening to tell you that I am delighted to hear from you.

I am immediately getting in touch with our line coach, Mr. Vic Hurt, and I am sure that you will hear from him in a very short while. Doubtless he and Gwinn Henry will see the Rose Bowl game, and I am very sure that he will drop in and have a talk with you.

I recall our very pleasant visit with you a few years ago when we were on the coast. Congratulations to Harry on his wonderful record that he made this year. We certainly would like to have one of your boys on the Varsity because I know that he really has gone places and done things, and I am sure that he can do them in any man's country.

By the way, Frank, my brother Pete (Harry B.) is Lieutenant Colonel in command of the R.O.T.C. at Stanford University. I am wondering if you ever see him or hear from him. I know that he and you would have a great bull fest recalling old times when you played on the team together.

I see where you have one youngster at Oregon State. It looks as if all the offspring of the Chase family are competitors like their old dad.

You will hear from me again, Frank, as soon as I contact Vic Hurt. I just wanted to let you know that I appreciated your writing.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
