Dear "Potsy":

I am sorry indeed that over two months ago I agreed to speak at Manhattan on December 16 to their K-Club. I am greatly disappointed that I will not be able to hear you, but Milton, who graduated in 1936 and who is back now taking a law degree, will represent the Allen household at the dinner. Milton is married and has one red-haired good-looking daughter.

I imagine your family is full grown by now. When Mrs. Allen and I visited you people several years ago the two girls were young ladies even then, so I imagine they are in college or perhaps graduated from college. I do hope to see you and say hello before you leave town, but I would much rather have heard you make the eagle scream in your address.

Lots of good luck to you Potsy, and please remember the Allen's to Janet and the girls.

I know Mrs. Allen would be delighted to have you give her a ring when it is convenient for you. Our phone number is 300.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
