BEN CARMICHAEL
Superintendent

10-17-1940.

Mr. Forrest C. Allen,
Director of Physical Education, K.U.,
Lawrence, Kansas.

Dear Mr. Allen:

Thanks for your kind letter. I should have mentioned more details about this position before.

We are a small school in debt, and thus pay low salaries. The coaching position will pay \$105 per month this year. I hope better next year.

The coach must teach some classes. He is scheduled to teach Geometry, 8th Math, Girls Basketball, Algebra 1, 7-8 girls gym and football. Basketball (Boys) will replace football after Thanksgiving, also track.

Thanks for any assistance you may render.

Yours truly,

Ben Carmichael.
