Dear Doctor Allen,

I want to thank you for letting me have the pool job again this year. I sincerely appreciate this help you have given me. If the pool is open the same schedule as last year may I have Monday, Wednesday, and Friday afternoons from four-thirty to six and Saturday from two-thirty to five-thirty. Since I will have three hour labs every week day and Saturday morning the working hours I mentioned will coordinate with my class hours. Thank you again.

Sincerely,
Bob Cohlmeyer
