

Dr. F. C. Allen - 2

After the Aggie demonstration before the game I was surprised that even as fine a player as Engleman could even so much as see the ball, much less score.

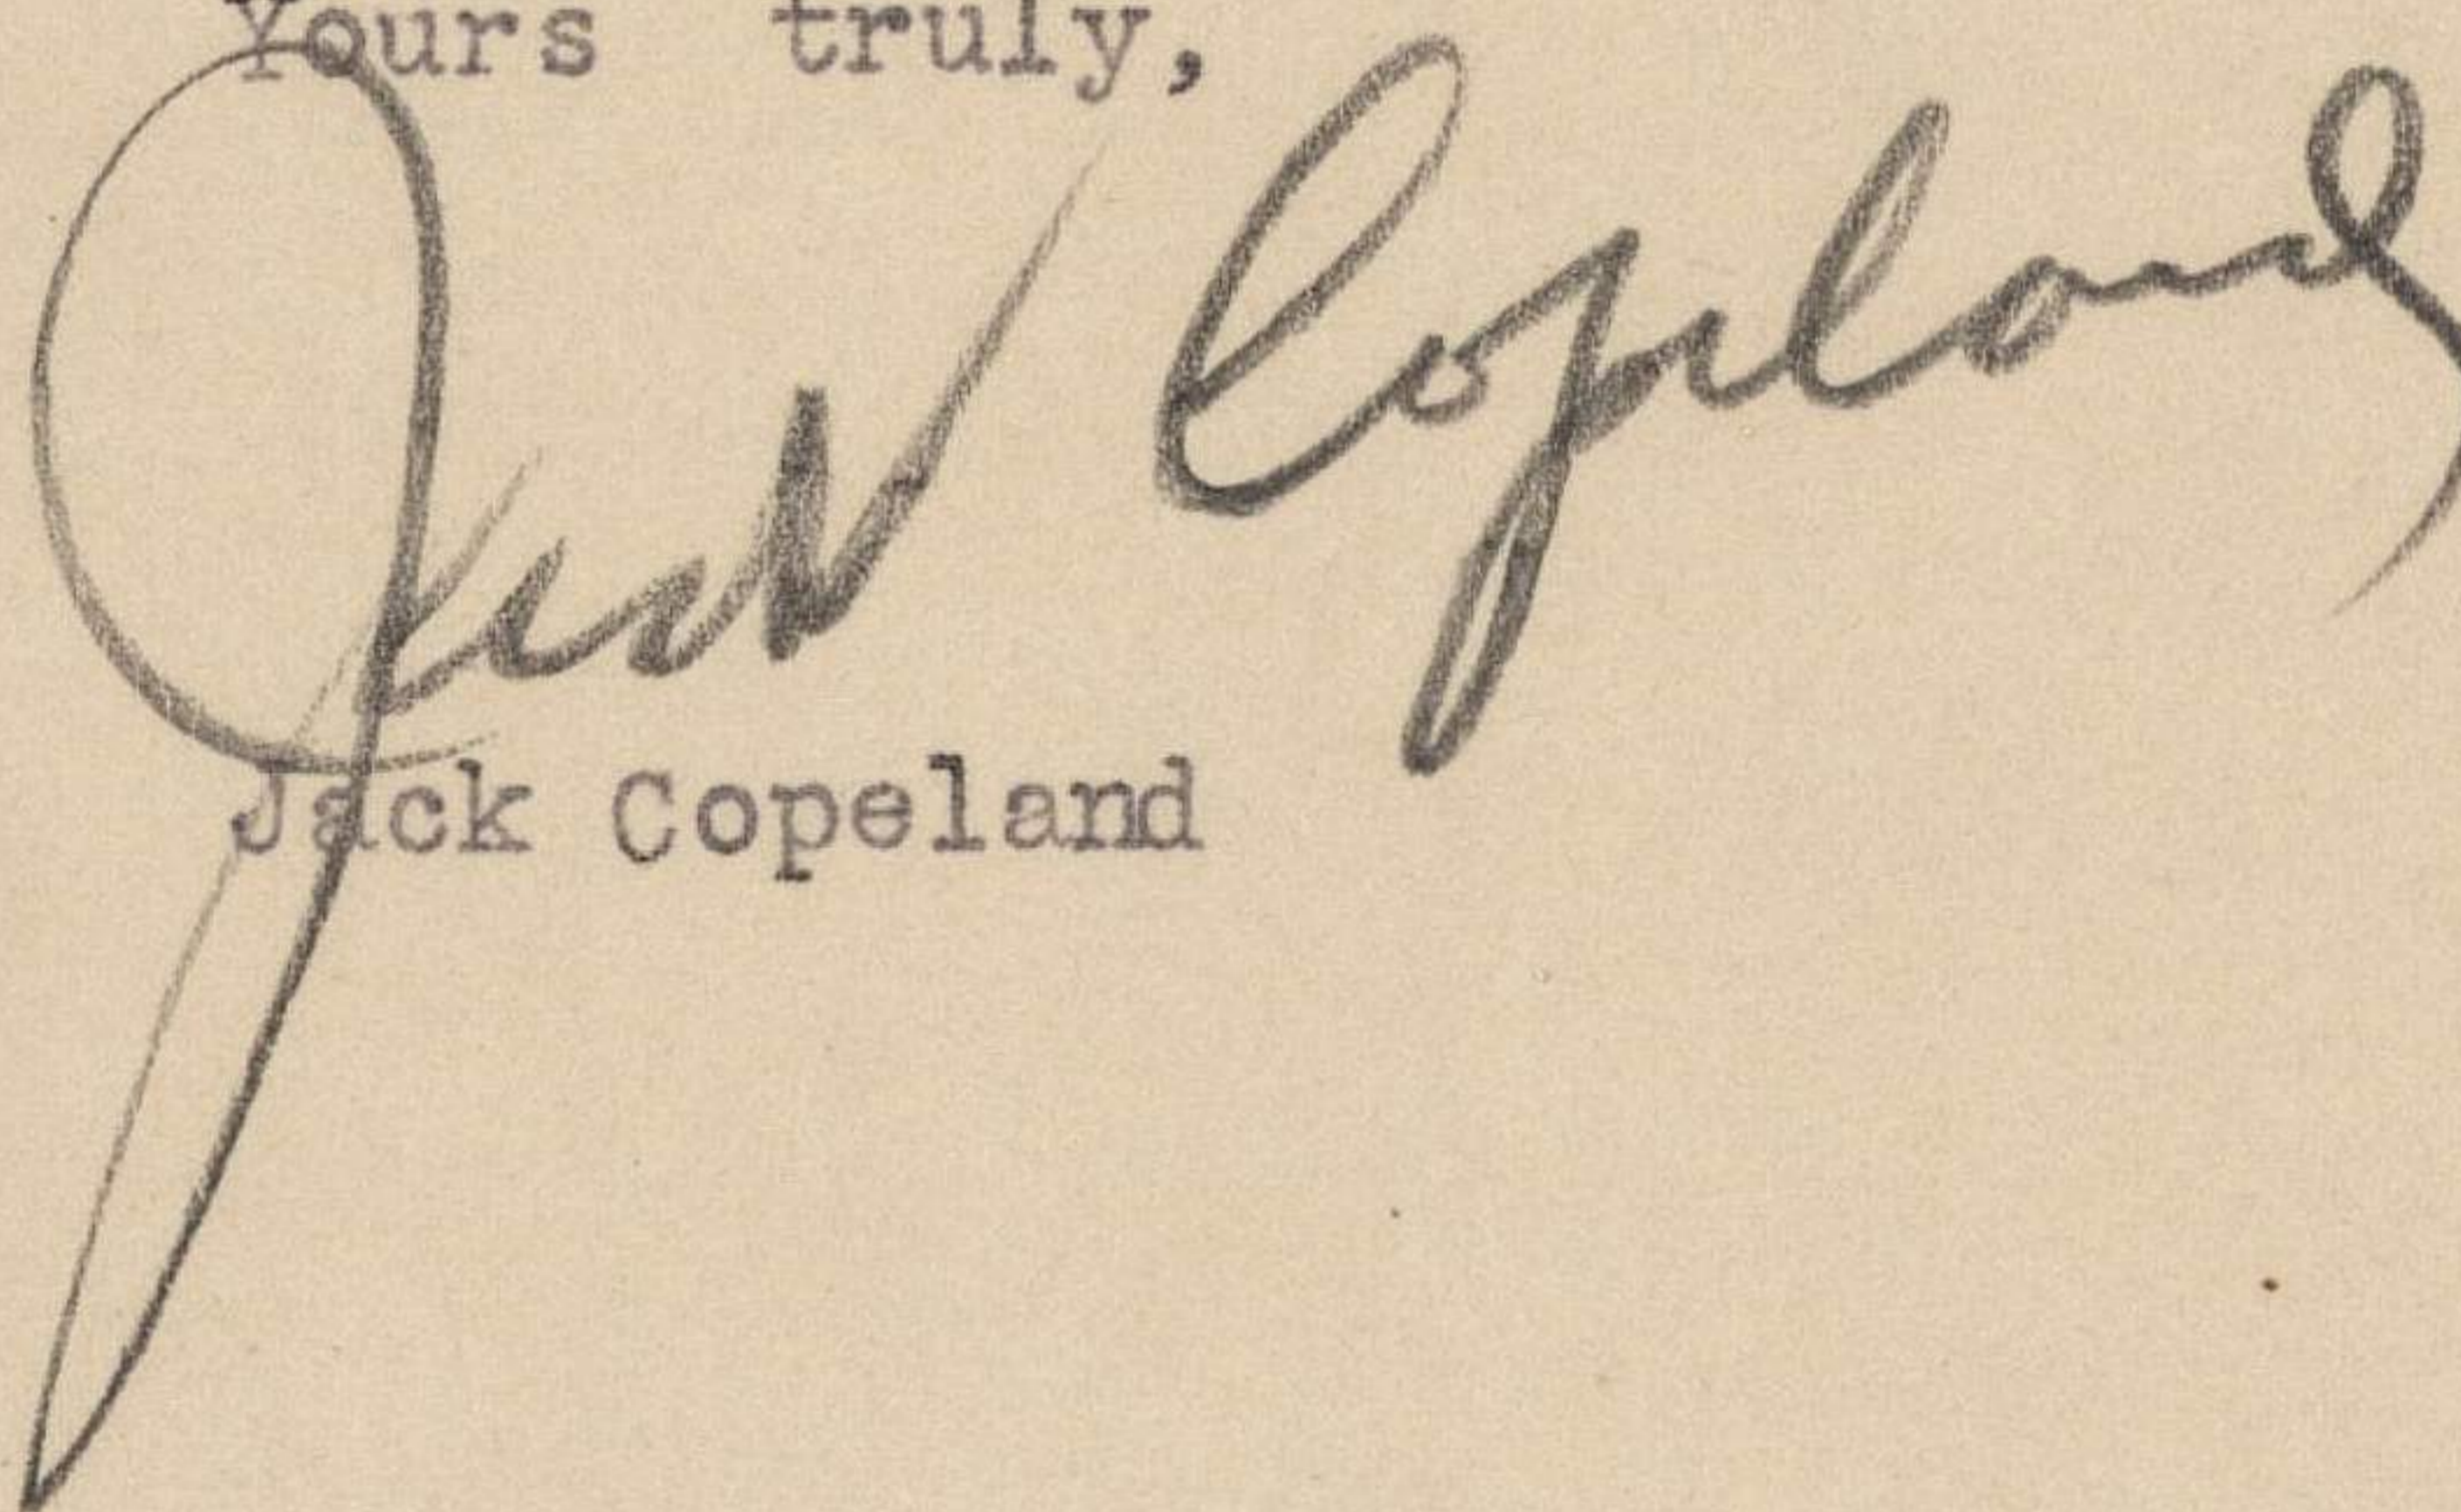

I read your analysis of the game and it is much the same as you told me the night driving from Stillwater.

I don't want you to feel that I am writing this letter merely because you lost. I know Henry Iba is a fine coach and one who can teach the fundamentals of basketball. But I do believe that your well coached team is worthy of all ---

Give my best to the boys, and I wish you more success for the remainder of the season.

With kindest personal regards, I am

Yours truly,
