STATE TEACHERS COLLEGE  
KIRKSVILLE, MISSOURI

Dr. Forrest C. Allen  
University of Kansas  
Lawrence, Kansas

Dear Dr. Allen:

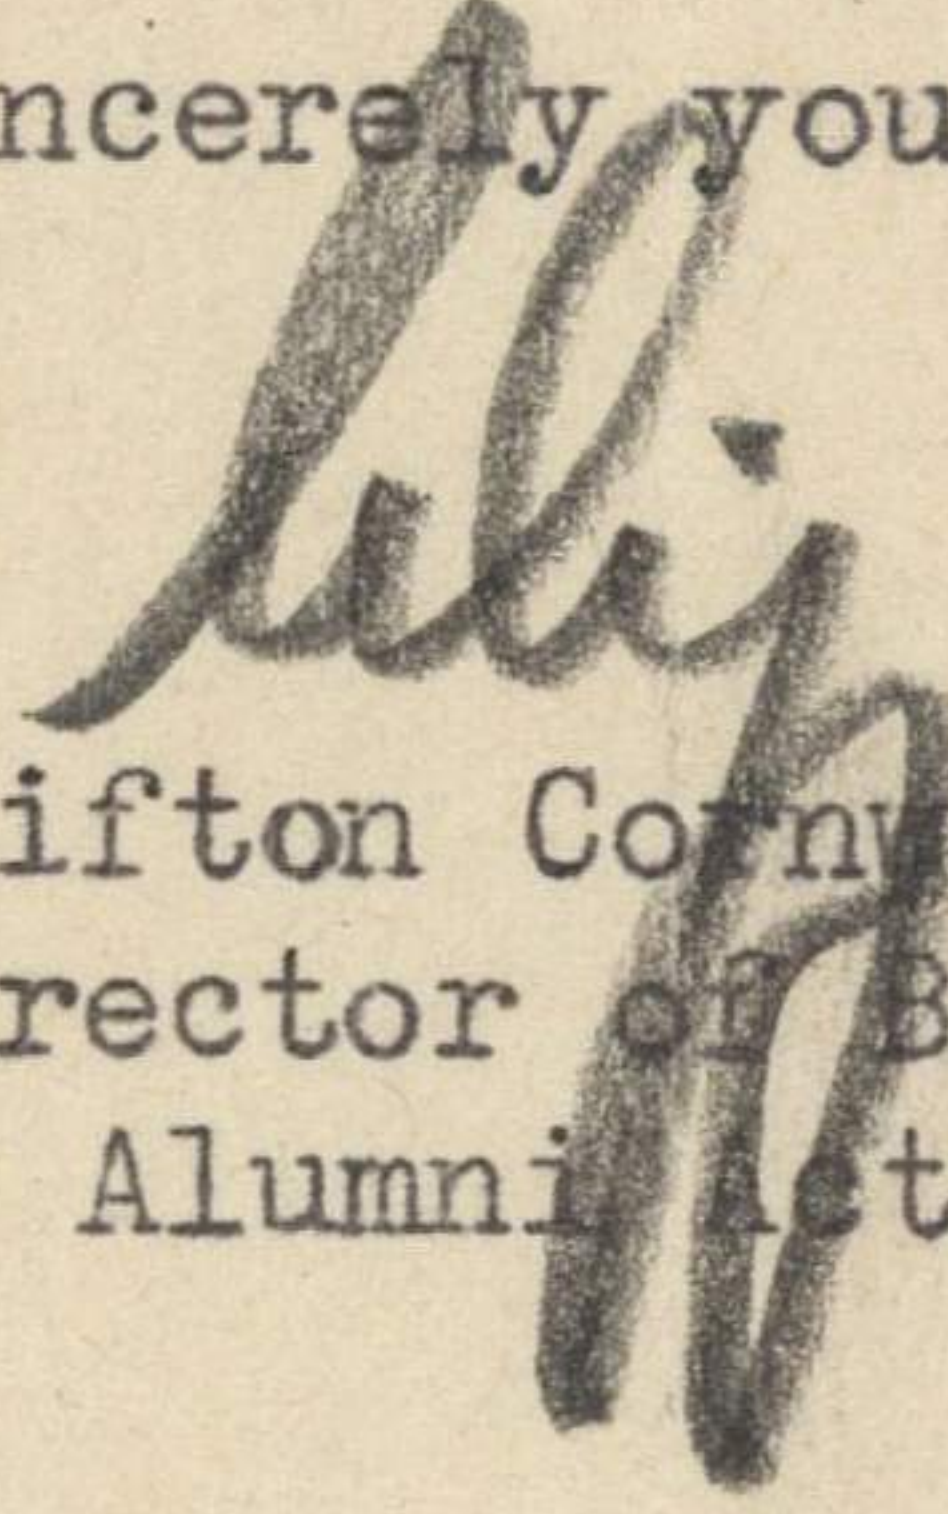

I must continue to tell you how you "hit the spot" for us here, Saturday night. Again and again, since that evening, from faculty, students, and town's people has come the statement that "Phog" Allen certainly delivered in terms of our particular Home-Coming.

You and Mrs. Allen made a lasting place for yourselves in the followers of our school. Ours is a family-like group of people as you observed. We enjoy it so much when people fit in to our group.

We look forward to having you with us again when the occasion demands.

And drop in on us informally whenever you come our way, while attending to other matters. You see, you partly belong to us, now.

Sincerely yours,

  
Clifton Cornwell  
Director of Bureau  
of Alumni Activities
