

February 28, 1940.

Mr. Jack Copeland,
Sports Editor,
The Wichita Beacon,
Wichita, Kansas.

Dear Jack:

Your very good letter of the 25th instant has been received and much appreciated. As you know, everything in the way of reserved seat tickets has been sold out for nearly month. I have nothing to do with the tickets, but I personally went to Mr. Earl Falkenstien, financial secretary of the Athletic Association, and asked him to do the best he could for you.

Doubtless Mr. Falkenstien has written you, but I wanted you to know that I appreciated your nice letter and I trust there is some way you can see the game if you get up this way. Our press table is terribly limited even for the local correspondents.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
