Dear Dr. Allen:

This will acknowledge receipt of your check covering fee and expenses for the N.C.A.A. play-off in Oklahoma City, also your kind letter.

It was a hard fought game between two fine teams. The only thing I was sure of before game-time was that regardless of the winner the fifth district would be represented in the Sectional finals by a real champion. Now that your team is in it loses its identity as a University of Kansas squad. You are representing the entire section and I know that everyone in the Big Six and Missouri Valley will be in your corner Friday night.

Judging by comment in Oklahoma City Sunday morning the K.U.-A.-M. game must have been one of the greatest in history so far as spectators were concerned. People who do not make a habit of attending the big league games in our section don't know what they miss.

Thanks again and my only wish is that your team plays up to its ability the rest of the way. I feel that will be good enough to win.

Dear Don:

I am sorry for the delay in answering your letter of the 22nd, but as you know I have been pretty busy with the N.C.A.A. basketball tournament in Kansas City.

I have never written an unsolicited letter, but you tell Pres. Schwalm that I will recommend you to him if he so desires. I have found through the years that this practice is much more effective. So feel free to give my name to Pres. Schwalm, and I will be very glad to write to him.

Congratulations upon your fine season - You can't

Dr. I have resigned here at Southwestern College
and am mildly interested in the job at McPherson College.
The job although in a smaller school pays \$500 a year
more than the Southwestern job.

I would certainly appreciate it if you would
write President V.F. Schwalm a letter of recommendation
for me.

President Schwalm, by the way, has the correct
idea, that you and I believe in, that is of not using
Tramps etc.

After several years of being unable to see your teams play, I believe that I am going to have the opportunity of witnessing your game with Indiana this coming Saturday. I am sending this letter special delivery, so that if you can't get the tickets, we may have time to get them somewhere else before Saturday.

Dear Doc:

This letter is a couple of days late because I have been out of town. Unfortunately, I was not in town on the two weekends that Kansas played here but, believe me, I certainly stayed close to the radio both times.

I certainly feel that you and the team are to be congratulated both for the fine showing you made in the Big Six race and in the outcome of the tournament here. There really is not a lot of difference between the winner and the loser of the final game in any tournament in my way of thinking; the main thing is to be one of the two teams playing in the finals.

You have a lot of thanks and honor coming to you from K.U. and this vicinity for all you have done for basketball in the past years and I think it is fine that you were able to put your team in the final game. My roommate in the Harvard Graduate schooldays used to be from Southern California and, of course, I had a lot of pleasure sending him a collect wire the night after you beat them.

I certainly hope things work out fine for you for the next season and congratulations again to you and the team. Best regards.
