Dear Dr. Allen:

After several years of being unable to see your teams play, I believe that I am going to have the opportunity of witnessing your game with Indiana this coming Saturday. However I want to be sure that I can get into the game when I get there, so I am writing to the only one that I know of who might be able to get the tickets or get the information as to where I might get some.

I am bringing my family with me and will be needing four tickets. I do not have any idea as to how much they might be or anything about them, so I am sending a check that you can fill in for the amount.

This is an opportunity that I have looked forward to ever since Dick Wells started playing for K. U. and I would greatly appreciate it if you could get me the four tickets. I am sending this letter special delivery, so that if you can't get the tickets, we may have time to get them somewhere else before Saturday.

Hoping that you may be able to do this for me and wishing you the best of luck in the game, I am

Yours very truly,
