Dr. F. C. Allen,  
Kansas University,  
Lawrence, Kansas.

Dear Mr. Allen:

The Abilene Rotary Club is delighted to have you accept its invitation to be guest speaker for the Rotary Club Program next Friday noon, April 5.

The Rotary luncheon period begins at 12:10 o'clock at the Hotel Sunflower. You can have the speaking time from 12:40 to 1:20 o'clock for your talk. We can plan to meet in the Sunflower lobby a few minutes before luncheon time.

In case you could arrange to speak to the senior high students while in Abilene, Principal Marvin Van Osdol said he would be glad to have an assembly for you at one thirty o'clock and that he would gladly allow you whatever time you might care to use. Please understand that the high school will be glad to use you, but we do not want to impose upon you unless the time fits your schedule. Please let us know about the chapel proposition.

Please accept my best wishes for your success in the tournament finals tomorrow evening. I will have to take the game by radio.

Very truly yours,

W. C. Robinson
