Dear Junior:

When a fellow is teaching classes in the summer school he gets far back on his correspondence. I have just discovered that I have failed to acknowledge your good letter of the 2nd instant regarding Gerald Tucker.

I have put in a phone call for you this morning, but I want to let you know how very much I appreciate the letter that you wrote him and your many kindnesses to me throughout the year. Even when I do not ask you to do a job you anticipate it, and many times beat me to the draw. Thank you so much.

My phone conversation this morning will suffice, if and when you return from the country.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
