Dear Dr. Allen:

Your letter of August First with congratulations was received and greatly appreciated by La Riene and myself.

In sending the announcement of the arrival of Judith Ann, it was not our intention that such should call for a gift, but, if that is your desire, anything can be used to good advantage. We were so thrilled we just wanted our friends to know of our new found happiness.

Mother was here visiting at the time your letter arrived, and I showed it to her. She was very pleased.

It must be a pleasure to have Milton and his family near. Your Judith must be full of life and one who spreads sunshine everywhere. I hope our daughter is of the same nature.

With kindest personal regards, I remain

Sincerely yours,

Lyman Corlis.
