

April 2, 1940.

Mr. Thornton Cooke,
Columbia National Bank,
Kansas City, Missouri.

Dear Mr. Cooke:

I have your letter of March 29th regarding Wesley Loomis's contribution. I desire to say that I met with the National Association of Basketball Coaches and the National Basketball Rules Committee this last week-end, and instituted the Naismith Memorial campaign.

Ernest Quigley is giving \$100.00, but the coaches are going to have a Naismith Night each year, similar to the one they had when they raised \$7,000 to send Dr. Naismith to Berlin and provide an honorarium for him so that he could buy a home.

This Naismith Memorial is going forward, and since Wesley has made the contribution for that I feel that he will want to make this contribution as he originally intended. Therefore, I am applying the \$5.00 on this fund.

Very cordially yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
