Lawrence, Kansas

Dear Sir:

I am writing a report on the Evolution of the Basketball Rules, and would like to have as much information as I can get on this subject.

Will you please send me a list of references on the Evolution of Basketball Rules, and also, any information that you think would be of help in writing this report.

I will greatly appreciate your sincere cooperation in securing this information.

Yours very truly,  
*Wendell L. Collins*
