Mr. John Carlson,
Kansas City Railway Terminal,
Kansas City, Mo.

Dear John:

I am sending you a carbon copy of a letter that I have written to Dr. Billingsley. Dr. Billingsley operated on members of the Steimmeyer family and was the family physician, and he told me definitely that he had Steimmeyer's mother and sister lined up for him to go to K. U. I am sure, John, there was something extraneous to his going to the Oklahoma Aggies besides merely selecting Iba as a basketball coach.

The idea of a boy living in Kansas City, Kansas, who would go out of the state just on the external facts is not appealing to me. I felt at least I wanted you to know about this so that you could look into this situation if you desire.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.

P.S. You will remember that Jap Haskell sent Abe Kitchell and some of the boys to Oklahoma.
