

Germany which is divided into 18 "Gaue" will allow all "Gaue" to take part in it if they have at least ten teams in their vicinity. First the "Gaumeister" is found out then the "Gaugruppenmeister" (champion of about three "Gaue") and finally there will be a big conference where the "Gaugruppenmeister" get together to find out the German champion.

This Fall at the "Nürnberger Parteitag" Basketball was played the first time at the "Nürnberger Kampfspiele".

In a few days I'll be at Berlin where England, Lithuania, France, Italy and Germany will have a European international Turnament.

Hoping to keep in contact with you and appreciating any help or advice from you I'm

sincerely your's
