Mr. Ray Conlin,
Southwest Bell Telephone Company,
Kansas City, Missouri.

Dear Ray:

I spoke to Mr. Earl Falkenstien this morning about the tickets, and he will write you full information.

It was good to see you last evening and have a talk with you and your lovely wife. I enjoyed talking with her because she is like the Aggies - they are for you except when we play their home school!

With best wishes, I am

Sincerely yours,
