Mr. Forrest C. Allen,
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

Thank you very much for your letter of August 12 relative to Mr. Dave Shirk. It is quite possible that we may be able to use Dave this fall; however, we cannot definitely make these arrangements at the present time.

We are hoping and trying to get a regular full-time teacher of physical education, and this selection must be made from the Civil Service Register. If we get this teacher, Mr. Powless will then serve as our assistant and we would not need Mr. Shirk; but if we are unable to get the full-time man, we would move Mr. Powless into that position on a temporary basis and would need the services of another man.

It is necessary for us to mark time until the beginning of school before we could consider contacting Mr. Shirk. If, however, it becomes necessary for us to hire a man from the outside, we will give Mr. Shirk our most serious consideration.

Thanking you for your continued interest in Haskell Institute and wishing you much success, I remain,

Sincerely yours,

John F. Carmody,
Boys' Adviser
