Dear Mr. Allen:

Thanks for your letter of August 12th, and can appreciate that you have had a very busy season. You have cooperated with us in the past, and we know you would have helped us out if there was any way it could have been accomplished.

As it turned out, we have enough articles for this year's edition that will make the Yearbook one which we feel will be of interest to everybody.

Kindly let us know how many copies you would like to receive when it is ready, and we will be pleased to send them along.

Thanking you for your help in the past, we are

Very truly yours,
