Dr. Glenn Cunningham,

Springfield, Mass.

Dear Glenn:

I heard of your sports broadcast and read in the paper the announcement of your retirement from track. The report stated that you were desirous of teaching in some middle western university after your retirement.

I am wondering if you would be interested in coming to the University of Kansas in the Department of Physical Education. Will you kindly state your minimum salary and desires, because if this is at all possible I unhesitatingly want you for our department.

I want to congratulate you on the splendid showing that you have been making this winter. Your boundless energy and your adherence to training rules are just too much for most of the young men who have not paid the price that you have in your training program.

May you and yours have the best for this year, 1940, and for the years to come. With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
