Dean R. A. Schwegler,  
School of Education,  
University of Kansas.

Dear Dean Schwegler:

I am enclosing herewith a copy of a letter that I wrote Glenn Cunningham upon the announcement of his retirement this spring, and also a copy of his reply which I received today. I wrote Glenn this letter in order to protect the University from any undue criticism.

I would appreciate it if you would outline and send to me the possibilities for the future if Glenn should seriously consider coming to the University of Kansas. I would like to present this to Glenn, not quoting you, but telling him these are some of the possibilities as you and I see it.

I will be glad to hear from you at your early convenience.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
