Nov. 13, 1939

Prof. F. C. Allen
Dept. of Physical Education
University of Kansas
Lawrence, Kansas

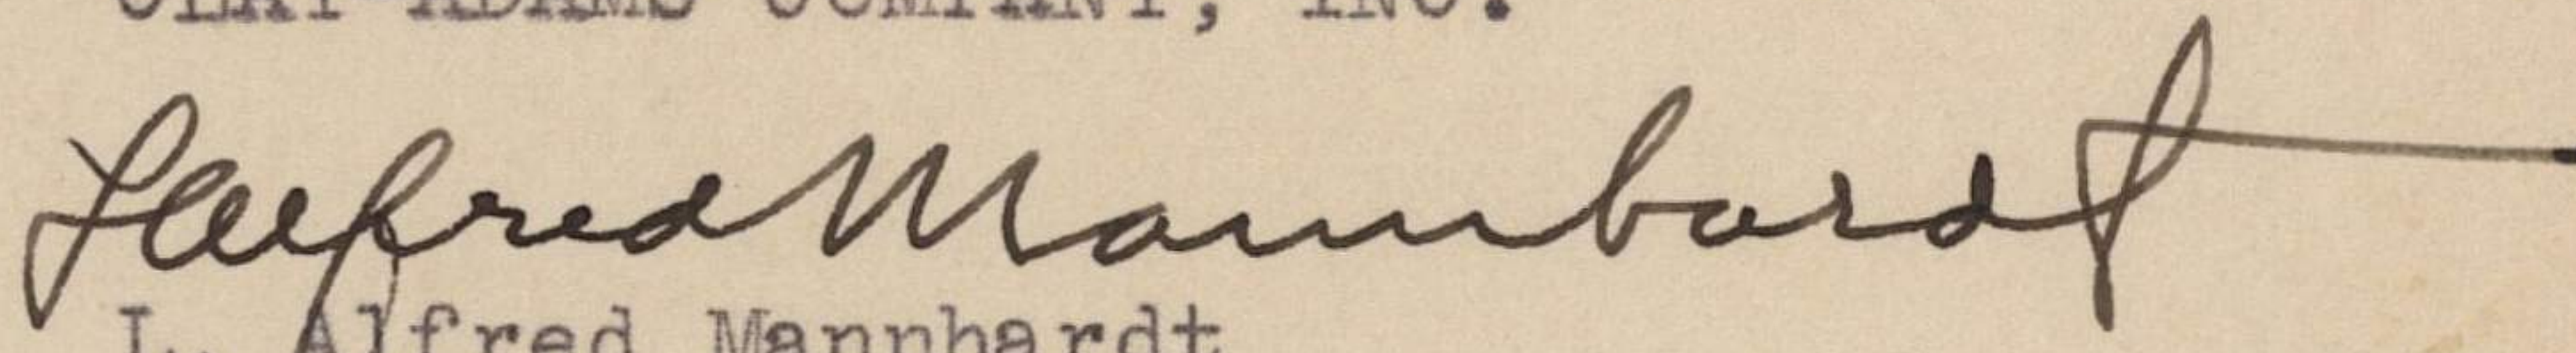

Dear Prof. Allen:

We are pleased to hear from you again through the recent visit by our representative, Mr. Zabel, and are glad to note your further interest in the Model of the Torso No. 2000 which was previously demonstrated.

We will have one of these on display during the Physical Education meetings in Chicago Nov. 24th and 25th, and Mr. Zabel will look forward to talking with you again at that time.

Very truly yours,

CLAY-ADAMS COMPANY, INC.
