Mr. Claude Cochran,
General American Life,
715 Commerce Building,
Kansas City, Mo.

Dear Claude:

Thank you very much for your kindness in sending me the desk calendar-thermometer. My temperature has been especially high, and never higher than after the Kansas Aggie game last Friday night. Although this is a weather thermometer, I think I need a thermometer for my own pulse, but I don't expect you to get me one of those. Maybe by keeping my room at the proper temperature it will affect my blood temperature!

Anyhow, thanks very much, and best wishes for the New Year.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
