Dear Phog:

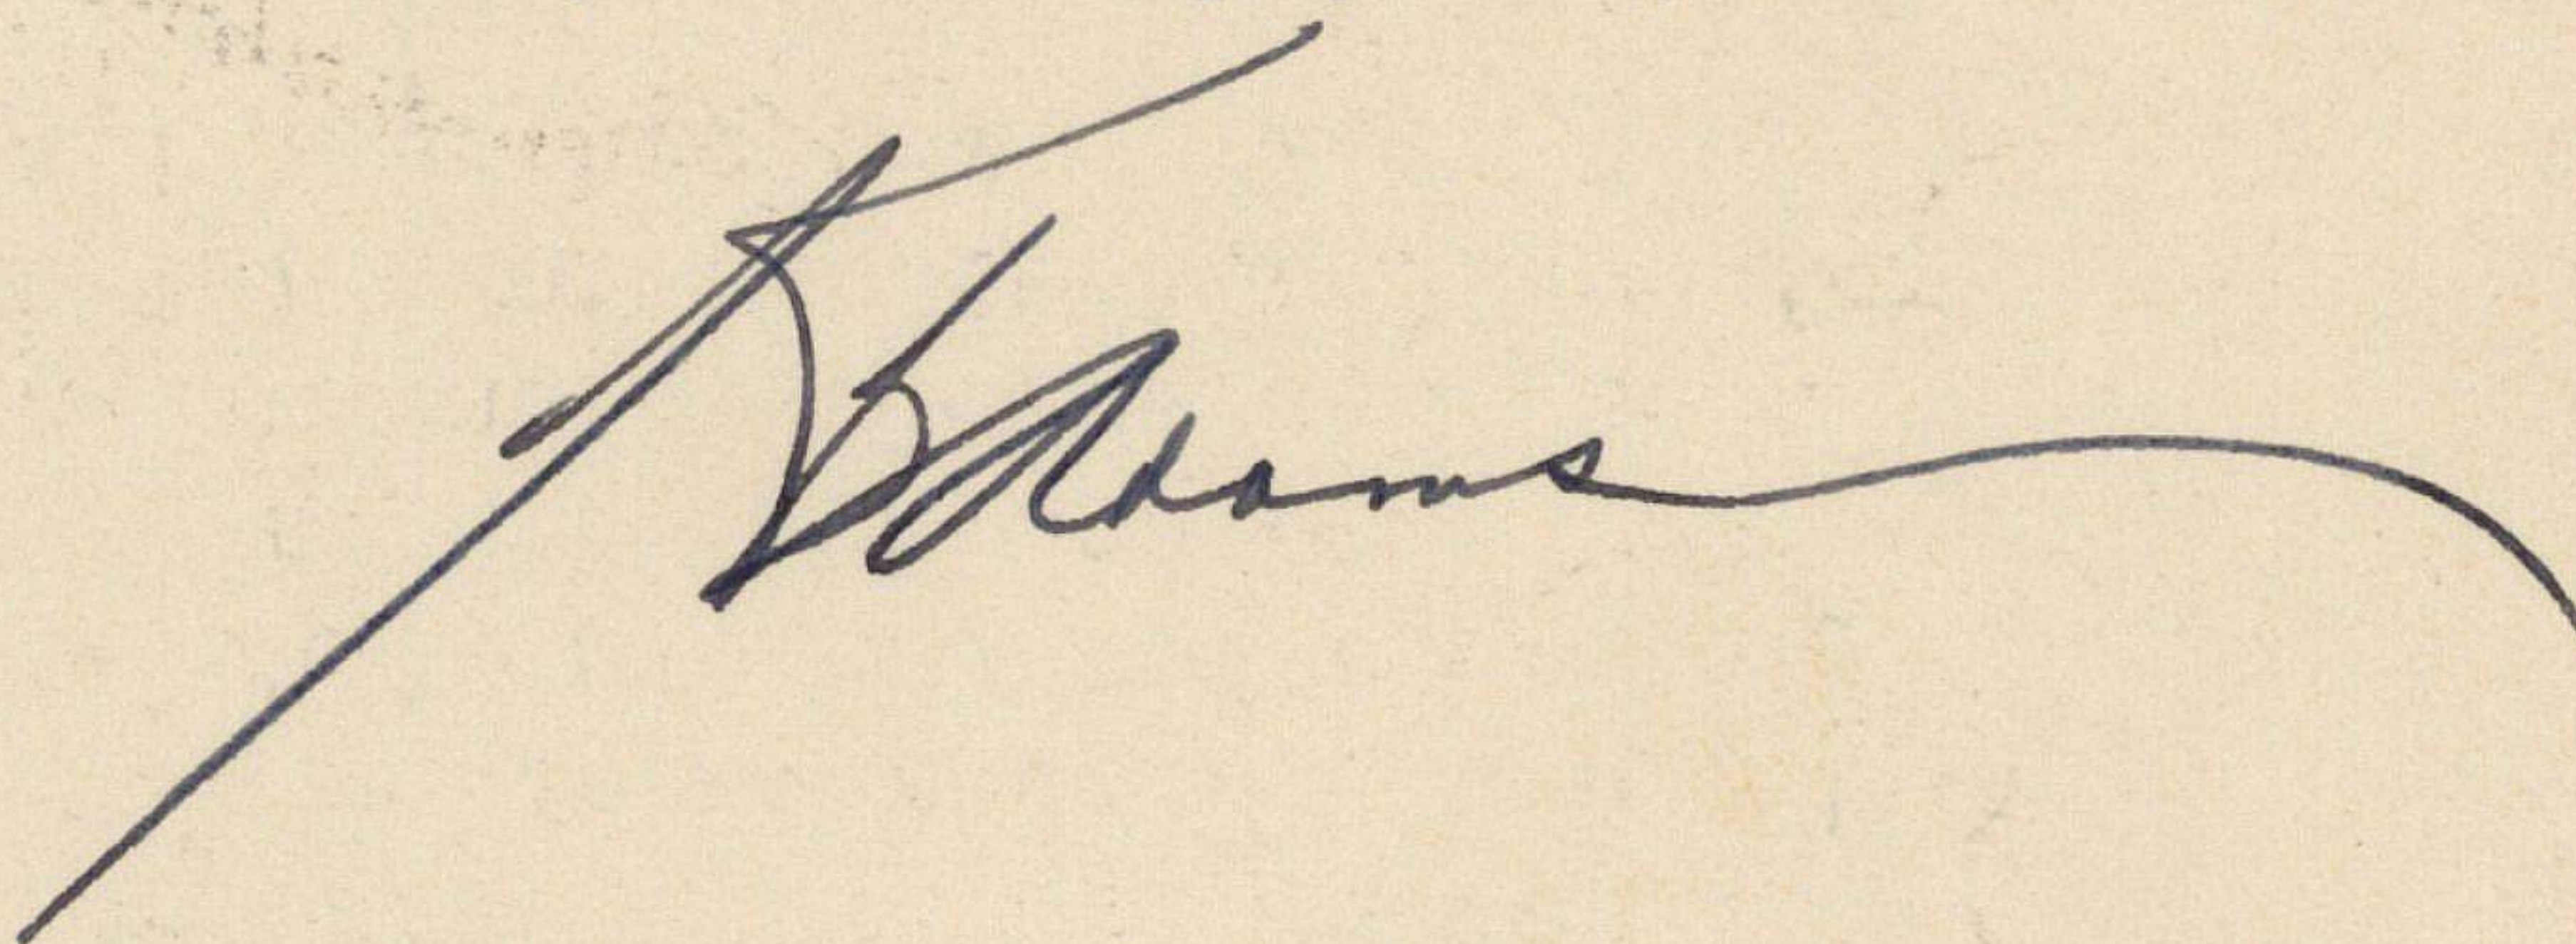

Thank you for your letter of the 1st and the copy of your new book, "Better Basketball", which you have autographed to me. They came while I was away for a few days trip over the territory.

It was very thoughtful of you to include me on your list of those to whom you sent the book, and I accept the Christmas present with very great appreciation. I have not yet had time to read it but it will be a genuine pleasure to scan the pages telling the Tales of the Yesteryears, for I know they will recall many happy memories.

With kindest personal regards to you and your family, in which my family joins, I am

Very sincerely yours,
