Mr. T. L. Chisholm,
Assistant Secretary,
TALON, inc.,
Meadville, Pa.

Dear Mr. Chisholm:

You are very kind to write me as you did in your letter of October 11. It is not necessary at all that you give any apologies or explanation. I know how busy you have been, and I understand the delay.

I do want to thank you for your kindness in asking Lowe-Campbell to make a duplicate of the suit.

You keep the other stuff as long as you desire. When you do have the team's woolen sweater fasteners replaced it will be fine to have them returned at your convenience. We, of course, will not be needing any of the sweaters until December first.

Thanking you again, and trusting that your corporation gets a favorable judgment of this troublesome inconvenience, I am

Very sincerely yours,

FCA:AH

Director of Physical Education.
