Dear Phog:

Last year we had an arrangement whereby you favored us with two tickets to each of the home games of the University football schedule in return for advertising each game.

We are willing to enter into the same kind of an arrangement for this season, if it meets with your approval. Should have written you before this, but been busy and did not get around to it.

Football fans in Lee's Summit are watching K. U. with more than a little interest because of Jack Hall, Lee's Summit boy, being an important member of the team.

With kindest personal regards and best wishes,

Yours very truly,

LEE'S SUMMIT JOURNAL
