

#2 - Mr. John E. Carlson.

I am happy to know regarding the itinerant capabilities of the two men that you mention. I certainly know how you look at a boy who is a chiseler. Apparently I got on the same boat that you ride on in regard to that.

I am passing on to Gwinn Henry and to Earl Falkenstien your desire for four or five tickets for the Nebraska game. I will have them notify you at once regarding that.

I will keep you advised as to the status of the local boys that you have helped so much.

With appreciation, I am

Very sincerely yours,

FCA:AH

Director of Physical Education.
